## Task instruction, sample, and question

## Please rate the story fragment

The goal of this task is to rate story fragments.

NOTE: Please take the time to fully read and understand the story fragment. We will reject submissions from workers that are clearly spamming the task.

## Story fragment

The human ambassador reached down and grasped it's paw. "Humans, cats, is it true that all intelligent beings are omnivorous?" "Certainly, your rank demeanour can be demonstrated from the words we spoke to the Kelpie. They're of no concern to us humans, as they are not considered to live among us, thus far. (...)

How **grammatically correct** is the text of the story fragment? (on a scale of 1-5, with 1 being the lowest?)

## LLM evaluation
