```
Oh, and the service was spot on.
                                                                          0.9996
(service, service general, spot on, positive)
Small would feed most of my family.
(NULL, restaurant miscellaneous, Small,
                                                                          0.0055
positive)
                                                      Pseudo-label
                                                         Scorer
I'll come home and throw some spices on it to help
it out a bit.
                                                                          0.0064
(spices, food quality, NULL, positive)
I will only return if I have to.
                                                                          0.0081
(NULL, restaurant general, NULL, positive)
```
